ACCOUNTABLE CITIZENS & CIVIC AWARENESS PROGRAM

Desh Apnayen Sahayog Foundation *promoting ACTiZENS (Active Citizens) Club to raise student civic awareness* 2023–2026

- Helped with dissemination of content through the website for school teachers running the student clubs, customized based on the grades they teach, geographical location and the education boards affiliated with their respective schools
- Helped with design, development, pilot & deployment of a mobile app for the foundation's engagement team and the school teachers implementing the Active Citizens program. Actively participated in brainstorming for new program content

INNOVATION & OUTREACH

Aloud – Blink-to-Speech Communication for ALS, Cerebral Palsy & Severe Paralysis *aloud-pink.vercel.app* 2026

- Turns eye blinks into speech using only a webcam and browser (MediaPipe computer vision); no eye-tracking hardware
- Access to any preset message in ≤2 blinks, any letter in ≤3; AI expands a few letters into full sentences; per-user calibration
- Built core blink input to work offline; in discussions with Apollo Hospitals & senior neurologist for pilot and next version

Mango Farm Management App TIS AI Fellowship, Boston, Summer 2025

- ***Received CREST Gold Award (British Science Association) for research paper***
- Machine-learning tool for yield estimation from photos, variety recommendation from soil and climate data, and early disease detection for mango farmers

PROJECTS

Keystroke Dynamics Authentication – *typing-sanctuary.onrender.com* 2026

- ***Received CREST Gold Award (British Science Association) for research paper***
- Behavioural-biometric Two-Factor Authentication (2FA): a 200-feature typing signature scored by a six-method ensemble
- Re-verifies continuously mid-session to detect if the keyboard changes hands

Investment Advisory Dashboard 2026

- Automated pipeline decrypts daily custodian data to refresh portfolios across all asset classes
- In production use by a mutual-fund adviser with over 950 clients - ongoing work on adding more features

Cloakroom – Data Masking Tool for Protecting Sensitive Info from LLMs – cloakroom-mu.vercel.app 2026

- Built a masking layer that lets confidential data be used with LLMs without exposing underlying values
- Replaces the confidential information with tokens before giving it to the LLM and unmasks it before showing it to the user

Rubriq – Tool to Analyze Quality of Output by LLMs – rubriq-liard.vercel.app 2026

- LLM output evaluation framework that diagnoses response quality issues and generates improved prompts to correct them

Finna – Personal Finance App for Students – *finna15.vercel.app* 2025

- Student budget tracker with voice-entry transactions and a privacy-safe parent share link

South Mumbai Internet Speed Dataset - *kaggle.com/datasets/devaditjain/wifi-speed-variation-in-mumbai* 2025

- Original open-source dataset mapping real-world internet connectivity, hosted on Kaggle; 50+ downloads

Spectrum Whispers 2024

- Assistive platform for Autism & Down Syndrome: three prototyped products + a family community forum

LEADERSHIP POSITIONS

Sports Captain – Campion School 2024–2025
- Redesigned the official school football/basketball team jerseys; authored a new rules handbook for all inter-house sports

Member, Student Council – Campion School 2023–2025

ROBOTICS

Programming Captain, FRC Team Binary Bolts 2025–2026
- Mentored juniors in FRC classes at ABWA

FRC Training Centre, The Innovation Story (TIS) 2025
- Programmed in Java (WPI) with PathPlanner autonomous routines; rebuilt & rewired the 2023 robot

FRC: Member of Team Paraducks 2025 Season
- Won Marmara Regional and Istanbul Regional
- Qualified for FRC World Championship, Houston (Curie Division)

FTC: Member of Team Paraducks
- Winners of Asia Pacific Open Championship Australia 2024

INTERNSHIPS

Genus Power – Studied smart-meter design, net metering and the emerging India Energy Stack 2026

EXL (Nasdaq: EXLS) – Developed ***Cloakroom*** *and* ***Rubriq***, detailed under ***PROJECTS*** 2026

CG Power – Studied switchgear physics, design and production; examined evolving technologies 2025

Enam Holdings – Research reports on 10 robotics firms, ideaForge – a drone manufacturer and EV batteries 2025

BOT VFX (Visual Effects Studio) – Built projects in Premiere Pro, After Effects & Photoshop 2023

PROGRAMS & COURSES

Siemens PLC and TIA Portal Essentials – Certified from Coursera 2026

Stanford Game Theory I – Certified from Coursera 2026

AI Fellowship for Global Young Leaders, by The Innovation Story (TIS), held at MIT, Cambridge, MA Jun–Jul 2025
- 2-week residential program; sessions at MIT's Bartos Theatre with academic and industry speakers
- Built a Mango Farm Management App; presented and pitched it to investors in the Market Readiness challenge

Python Beginner & Intermediate Course at TIS – Completed a 40-hour course at TIS 2024–2025

COMMUNITY SERVICE

Beach Cleanups – Consistently participated in drives 2023–2026

School Seniors with Learning Disabilities – Served as exam scribe during their Grade 10 ICSE exams 2024

Reach Education Action Programme (REAP) Foundation School 2023–2024
- Ran donation drives (clothes, stationery, books, funds) and activities to empower students through literacy

SELECTED INTER-SCHOOL COMPETITIONS

Science & Innovation
- Gold – Einstein Math Olympiad Preliminary Round and Qualified for the Global Round in Germany 2026
- 1st Place Overall – Anvikshanam Inter-School Research Paper Competition (Teen Mental Health) 2024
- 1st Place – Videria Shark Tank, for the Spectrum Whispers assistive platform **(Autism & Down Syndrome)** 2024
- National Finalist – Innoventure Innovation Competition **(National Winner in multiple earlier editions)** 2023

Public Speaking & Debate
- Represented Campion at multiple JAM Events, Hindi Speech Contests, English Debates & Elocution Events 2023–2024
- Just a Minute (JAM) – 1st Place at Turbulence, 3rd Place at Immaculata 2023–2024
- Model United Nations (MUN) Contests– Aditya Birla (2024), Cathedral (2023), GD Goenka (2023)

Football & Basketball
- Member of the school Football team for 12 years and captain for a 2023 tournament that the team won
  - Represented school at various tournaments – ISSO Jaipur, AISM, MSSA & Ahmed Sailor 2023, 2024, 2025
  - Inter-school tournaments – 1st at Milind Deora, 2nd at Anglo Indian and 3rd District Sports Office 2023, 2024
- Member of the school Basketball team for 6 years
- Participated in multiple tournaments including AISM, MSSA & Melange 2023, 2024

SELECTED INTRA-SCHOOL COMPETITIONS
- Annual Athletic Meet – 1st Place, 4×100m Relay 2026
- School Best Athlete & U-16 Best Athlete Award (Winner 100m, 200m, 4x100m, Long Jump) 2024
- Best Cadet – Adventure Club 2024
- 1st Place (Winner) – English Debate, 3 consecutive years 2022–2024

OTHER INTERESTS: Running, Reading, Piano, Origami & 3D Papercraft, Baking

TECHNICAL SKILLS: Python, Java, JavaScript, Flask, Next.js, React, MediaPipe
